Hampiaux was founded in 1946 and is based in Nancy. It designs and sells soldering equipment under its own brand, LE LORRAIN.

The know-how of this family company is reputed. It makes annual total sales of around 7 million € and has international reach.

« We were impressed by the entrepreneurial culture of the Chapusot family and how they support the company's outstanding human capital », says Dominique Hampiaux, shareholder and director of Hampiaux SAS.

« Alongside my daughter, Alexandrine, who will take over General Management, we aim to continue Hampiaux' development in France and abroad by building on the Made in France label which is embodied by this great company » says Thierry Chapusot, the Managing Director of SC de l'Ermitage Saint-Joseph, for whom this operation is a way of investing personally in a reputed Nancy-based SMB.

CIC Conseil is acting as sole advisor to the shareholders of Hampiaux SAS.
